

Flourish Bakery Case Study

Bakery expands in Haringey

Overview of business retention activities

Reason for contact

Flourish Craft Bakery is an award winning, artisan bakery based in North London with enormous potential. They were expanding due to an increase in activity and issues with their existing landlord.

Initial Contact

Meeting with the company and further meetings facilitated with their Landlord to discuss possibilities on their existing site.

Ongoing Contact

Meeting April 05 to discuss issues and look at property options and how to resolve the situation. Follow on work providing property options, contacts of corporate solicitors, basic food hygiene courses.

New Opportunities

Working to support the companies proposal to move into an adjacent unit, consolidating plans and working with landlord. Advising on average rental pricing, recruitment and grant schemes.

Success

Company expands into new unit and was short listed for Haringey Business Awards 2006.

Flourish are now on the steering group for the Haringey City Growth Project and working to possibly expand to a new shop in the local area. We are in regular contact with the company and look forward to working with them in the future.

CRAFT BAKERY

"As Flourish is a continually expanding bakery business, we have had to seek advice and assistance in seeking new premises, general legal matters, dealing with the council, as well as recruitment and training. In all of these issues North London Ltd have proved to be extremely helpful. As a business support, they have always provided us with a highly efficient, prompt and professional service. We would thoroughly recommend them".
